The Heartland Church of Christ meets each week with the saints in the Heartland Assisted Living Center in Bedford, Texas. You can read much more about this work at our website <http://heartland.zachshouse.org>.

The Heartland Church of Christ recently lost its funding. We are working hard to replace it and add extra funding so our time with members/residents can be expanded. Ten individuals or churches providing \$45.00 a month would replace and expand our funding by 10%. Please contact Brian at 972-255-3789 or email us if you are interested in partnering with us. We not only hold this worship service weekly, but take communion to all Church of Christ/Christian Church members in rehab when area churches contact us to let us know of a communion need. The list below sums up our Heartland work.

Help us continue:

1. Visiting with residents and eating with them on occasion.
2. Providing a weekly time of worship and gospel discussion.
3. Allowing God to use our work to provide a sense of purpose in the residents.
4. Taking communion to rehab patients from area Churches of Christ/Christian Churches.
5. Visiting Heartland residents in the hospital.
6. Attending funerals when the need arises and helping provide comfort to family.
7. Working with unchurched care workers and nurses to help take them the Gospel.

Thank you very much for your desire to help “the widows” mentioned in James 1:27. You are truly doing God’s will by helping with this work.

Yours in Christ,  
Brian Humek
